

## **Mat leave locum - Grimsby, Ontario**

2 weeks/month or more if you desire- July 2022 through Oct 2022, or parts of this time period.

Full clinic days Monday, Tuesday, Thursday, Friday.

Paperwork day Wednesday (compensated with a full day's stipend).

Hospital rounding for our own inpatients at West Lincoln hospital (located directly next door, usually 0-2 inpatients).

Stipend \$1000/day + 70% of shadow billings/3rd party billings. 100% of hospital billings.

\*\*\*\*

Busy FHO practice of approximately 1800 patients in Grimsby, located 20 minutes between both Hamilton and St. Catharines, Ontario. We are a group of 8 physicians who work together in the same clinic. We run an after hours clinic each evening between 5-8pm, each doctor does approx 2 shifts/month.

This practice is a shared-practice. One physician works 2 weeks/month and I work 2 weeks/month -- looking for coverage for my half but opportunity to work more if you wish.

We have an amazing office staff which include nurses that work closely with each physician (rooming patients, vitals, brief history, immunizations, pap smears, relaying messages to patients by phone), 4 receptionists, a registered dietician, 2 mental health counsellors, a diabetes team (RN/RD) and an RN (memory and hypertension clinics). We also have a billing clerk and office manager.

Our office has been fully on Telus PS Suites since 2008.

We have 18 exam rooms and 2 procedure rooms as well as individual work-pods for each physician. We are located in the same building as a pharmacy and the local lab. Diagnostic imaging services are available next door at the hospital (including same day xrays, urgent same day ultrasound and a new CT scanner).

We are located adjacent to our local, family physician-run hospital, West Lincoln Memorial. WLMH is part of Hamilton Health Sciences. West Lincoln Memorial Hospital has a core group of general internists and OBGYNs as well as several visiting specialists. Our hospital is also served by FM-OB, FM-ER, GPAs and FM-hospitalists.
